

PERSONALLY CONNECTED. SINCE 2006.

Technology that moves your business forward.

Reliable IT. Intelligent software.
Websites that make an impression.
Specialist technology that connects.

IT. SOFTWARE. WEBSITES. SOLUTIONS.

Since 2006

Experience you can build on.

Personal

A team that knows your business.

Connected

Four specialisms. One partner.

THIS IS STRANTO

Technical expertise. Personal connections.

We are an Austrian technology company based in Perchtoldsdorf. Since 2006, we have supported businesses, medical practices and quick-service restaurants - from the initial idea to day-to-day operations.

One point of contact

Direct access to our team and clear answers.

Solutions built around you

IT, software and design tailored to the way you work.

Support you can rely on

Consulting, implementation and ongoing support from one partner.

COMPANIES THAT TRUST STRANTO

EVERYTHING FOR YOUR DIGITAL SUCCESS

Four areas of expertise. One partner.

From reliable IT to a compelling online presence:
We bring together the building blocks that move your business forward.

01

IT Support
